MOBILE PRIVACY DISCLOSURE

WHAT DOES FIRST WESTERN FINANCIAL, INC. **FACTS** DO WITH YOUR PERSONAL INFORMATION FROM THE MOBILE APPLICATION? The mobile application requests access to information stored on your device such as location, camera, contacts, or other features you are enrolled in to enrich and simplify your own user experience and improve our services, as well as provide additional security to protect your account. WHY? It is important for you to understand that: Before granting access to the camera, location or contact information, you will be prompted to give the application that permission. If you do not wish to grant that permission, you may decline. If you later change your mind, those permissions can be updated in your device's settings. Some examples of information your app will request access to or collect are: IP Address Location Contacts Operating system (iOS or Android) Device manufacturer and model Camera WHAT? The app uses cookies to collect information about your device that helps to facilitate navigation in the app and display information correctly on your device screen. You may disable or refuse to accept any cookies through your device settings, but disabling cookies may impact the account services and other features accessible through this mobile app. To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings. HOW? The application information is retained in accordance with state and federal record retention laws. Please contact us to determine specific timeframes for your personal stored information and if that information may be deleted. Please contact First Western Trust Bank at 877-505-1281 regarding questions about the information included in this **Mobile Privacy Disclosure** or questions about this application. **QUESTIONS?** You can also access the bank's full Privacy Policy at MYFW.com/privacy-policy/
